# COUNTY LINE connection

JANUARY 2021 | VOL. 23 | ISSUE 4

# Happy New Year: Welcome to 2021!

Even though there are silver linings and successes in times of struggle, I am happy to say goodbye to 2020. I'm optimistic that 2021 will be a much better year once we get through these next few months. At County Line we do not foresee any changes to our COVID protocols this quarter unless the CDC and health department update their guidelines.

Thank you families for promptly responding to the district survey regarding in-person and virtual learning for the second semester. Having these numbers early affords the district and our building time to put together a sustainable staffing plan. We have approximately 10 students shifting from virtual to in-person classrooms for the second semester. These students will be placed into existing classrooms with no more than one student being added to

each room. Our virtual classrooms will be taught by the same teachers from the first semester. Families of students shifting to in-person learning will be notified of their new teacher once those placements have been finalized.

If you have some time and would like to volunteer at County Line, we are in need of supervision outside during lunch recess and inside when the students are eating lunch. If you are interested please contact the office after January 4 for more details.

Thank you for helping us through 2020! I can't wait to see what 2021 has in store for our County Line family.

*Andy Eisenbach*  
Principal

# PBIS: Comet Code

Positive Behavior Intervention Support (PBIS) is school-wide strategy for helping all students achieve important social and learning goals. We know that when good behavior and good teaching come together, our students excel in their learning!

Our December focus was **Patience**. We learned that patience isn't simply the ability to wait, it's also how we behave while we're waiting. And we discovered that we can exhibit patience by showing empathy and compassion for others — and ourselves.

In January, County Line students will be reviewing the **Comet Code**: be respectful, be responsible, and be safe. Please encourage discussions at home regarding respectful, responsible, and safe choices that can be made both at school and home.

## DECEMBER COMET SUPERHEROES

The following students have been recognized for demonstrating superhero behavior throughout the month of December:

**Kindergarten** — Morgan B, Connor B., Charlee S., Liam S.

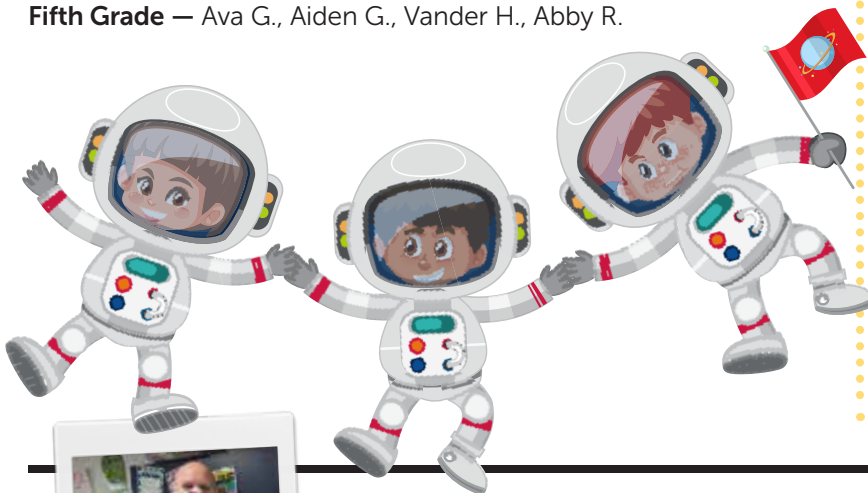

**First Grade** — Archer F., AJ I., Ashley J., Isa P.

**Second Grade** — Eva H., Violet J., Capri K., Dakshesh V.

**Third Grade** — Russell B., Ally C., Alayna R., Maxwell Z.

**Fourth Grade** — Brooklyn B., Kenzie F., Auggie P., Carter S.

**Fifth Grade** — Ava G., Aiden G., Vander H., Abby R.

## “VIRTUAL” PICTURES FOR YEARBOOK

With hybrid learning comes the unique challenge of creating a yearbook that captures all of our students. The County Line Yearbook Team is currently accepting pictures from our virtual students. **Virtual families are encouraged to submit photos of your home classrooms, school activities that you're working on from home, etc. to Ms. Packer (apacker@gsdwi.org).** Please include student names and grade levels in your message.

## CONGRATULATIONS SPELLERS!

Thank you to the PTA for sponsoring and to all the students, teachers, and parents who participated and supported the Scripps National Spelling Bee. We had 25 students compete in the grade level and/or school bee via the Scripps online spelling bee format. Congratulations to the 2020/21 County Line spelling bee champion, Chet Davis (grade 5), and runner up, Avery Burns (grade 4). They will both advance to the regional bee in February. Good luck!
